

ASSOCIATION
OF OCCUPATIONAL
HEALTH PROFESSIONALS
IN HEALTHCARE

Subscription Information

The *Journal of the Association of Occupational Health Professionals in Healthcare*, the official publication of the Association of Occupational Health Professionals, is provided as a benefit to all members and is available to nonmembers by subscription. The *Journal* is written by employee health professionals and other experts in the fields of nursing, medicine, human resources, safety, risk management and the law.

Consider these facts:

1. The *Journal* is published quarterly and has a growing national circulation of over 1,100.
2. Recent topics discussed in the *Journal* include:
 - Proactive strategies through budgeting
 - Worksite safety
 - Tuberculosis
 - Blood borne pathogens
 - Ergonomics
 - Plus regular columns which include, but are not limited to, legislative and political updates, networking and surveys.
3. A subscription to the *Journal of the Association of Occupational Health Professionals in Healthcare* is \$150.00 for one year (includes shipping and handling). Please complete and return the subscription form below. If you would like membership information, please contact our AOHP Headquarters or download from our website.
