

## Targeted Testing and Treatment of Latent TB Infection:

### An Online Presentation

Francis J. Curry National Tuberculosis Center is pleased to announce the launch of an online audio-based course, "Targeted Testing and Treatment of Latent TB Infection: An Online Presentation." Dr. Masae Kawamura, Director of the San Francisco TB Control Program, narrates this 60 minute slide presentation for healthcare professionals, and introduces the new blood test for TB. It is approved for 1 contact hour of continuing education (Category 1 CME/Nursing CE) credit.

We invite you to view it at [http://www.nationaltbcenter.edu/testing\\_ltbi/](http://www.nationaltbcenter.edu/testing_ltbi/)
