

Honorary Membership Award

Purpose

To recognize a person(s) who has made a significant contribution to the field of occupational health in healthcare.

Qualifications

Members of the Association are not eligible for this award.

Procedure

1. The executive president solicits nominations by way of an announcement to regional directors and chapter presidents and via the *Journal*.
2. Chapter presidents solicit membership nominations from chapter members.
3. Chapter presidents and regional directors submit nominations with a statement of qualifications and outstanding contributions to the executive president.
4. Nominations close August 15th of each year.
5. The executive president submits a qualified list of candidates and accomplishments to the executive board of directors for vote prior to the October executive board of directors meeting.
6. The awardee is announced at the annual membership meeting and is presented with a plaque.
7. Membership is awarded for one (1) year.
8. No more than five (5) honorary memberships shall be conferred in any one year.
