**We  
Care!**

## AOHP Member Benefits

### Networking

- The AOHP listserv connects members in a forum to address practice issues and questions.
- AOHP Insight provides a blog format for members to share information and experiences.
- Chapter membership provides local professional connections with peers in your geographical area.
- The annual AOHP National Conference provides opportunities to network with vendors and colleagues at a national and international level.

### Education

- The annual AOHP National Conference provides up to date education for your practice.
- Continuing Education credit opportunities are available through the national conference, webinars, and selected local chapter events.
- The peer-reviewed AOHP Journal is published quarterly, and provides a variety of articles to keep readers up to date on important practice-related issues.
- The Quarterly e-newsletter Making a Difference keeps members informed of important industry news, provides information on educational opportunities and keeps members up to date on regional and local chapter news.
- E-Bytes is sent out electronically from headquarters monthly and provides a summary the latest educational, regulatory and association information
- Increased visibility and recognition of AOHP as a leader in promoting health and safety among healthcare workers.
- Free Live Webinars

### Regulatory and Legislative Updates

- AOHP closely monitors activity in both the regulatory and legislative arenas. Up to date information is provided to members in various formats, including the AOHP website, E-Bytes, the Making a Difference e-newsletter, the AOHP Journal and educational opportunities.
- AOHP has partnerships with OSHA, NIOSH and The Joint Commission, and works closely with similar focused organizations. These relationships have contributed to increased visibility and recognition of AOHP as a leader in promoting health and safety among healthcare workers.
