

Respiratory Protection (RP) Resources - Accessing AAOHN Academy – October 2017

You will have **two choices** when you log into the Academy's Respiratory Protection Program (RPP) resources.

#1 – Overview of the products in the RPP resources- this includes the list of additional resources from the OHN - Respiratory Protection Education and Resources CNE course (former CNE course and RP Webkit)

#2 – Create an account to access the resources, case studies and annual training for CNE/certificate of completion. The following are the resources and case studies that can be accessed:

Respiratory Protection Program: Elastomeric Respirator Use in Autobody Repair and Painting - An Interactive Case Study for the Occupational Health Professional	Online CNE Modules	1
Respiratory Protection Program: OHN - Respiratory Protection Education and Resources <i>(Includes former Respiratory Protection Webkit resources)</i>	Online CNE Modules	1
Respiratory Protection Program: Respiratory Protection for Ancillary Healthcare Workers <i>(Meets OSHA training requirement; certificate of completion)</i>	Online CNE Modules	1
Respiratory Protection Program: Respiratory Protection for Healthcare Workers <i>(Meets OSHA training requirement; CNE for nurses; can be used for all direct care providers)</i>	Online CNE Modules	1
Respiratory Protection Program: Respiratory Protection in Healthcare - An Interactive Case Study for the Occupational Health Professional	Online CNE Modules	1
Respiratory Protection Program: Respiratory Use in Emergency and IDLH Conditions - An Interactive Case Study for the Occupational Health Professional	Online CNE Modules	1

Log into <http://aohn.org/page/online-learning>

Click **Respiratory Protection Program** on the left side drop down.

For Option #1

Review the additional information by clicking on the links. If you want to access the complete OHN course/case studies for CNE/Certificate of Completion, click on the **AAOHN Academy** hyperlink at the end of the second paragraph and continue with the directions for option #2.

For Option #2

- Click on the **AAOHN Academy** hyperlink at the end of the second paragraph
- Click on **Log in** and create an **AAOHN Account**. You may be asked to change your password once you have created your account. Once your account is created, it will take you to the **Academy Online University** page. **Once your AAOHN account is set up, always click on the AAOHN Login option, NOT the Guest Login option.*
- On the left hand side of the Academy home page, click on **My Options/Courses**.
- Then scroll down to the course you would like to view. They are primarily alphabetical. Enroll and follow-directions for completion and certificates. (Courses listed above)

If you are unable to access the information, please email info@aohp.org or call the AOHP National Office at 800-362-4347
